CERTIFICATE

With respect to compliance with the second paragraph of the Rural Electrification Act of 1938, being Title IV of the Work Relief and Public Works Appropriation Act of 1938 (Public Resolution No. 122, 75th Congress, approved June 21, 1938.)

The undersigned does hereby certify that the products listed in EXHIBIT A attached, as the product(s) is (are) sold to USDA Rural Utility Service (RUS) borrowers, complies with the following two domestic origin manufacture provisions:

a. Final assembly or manufacture of the product(s), as the product(s) would be used by an RUS borrower, is completed in the United States¹ or eligible countries (currently, Mexico, Canada and Israel); and

b. The cost of United States and eligible countries' components (in any combination) within the product is more than 50 percent of the total cost of all components utilized in the product. The cost of non-domestic components (components not manufactured within the United States or eligible countries) which are included in the finished product must include all duties, taxes, and delivery charges to the point of assembly or manufacture.

For purposes of this certificate, an "eligible country" is any country that applies with respect to the United States an agreement ensuring reciprocal access for United States products and services and suppliers to the markets of that country, as determined by the United States Trade Representative.
